Copyrights and all other proprietary rights in any software and related documentation ("Software") made available to you rest exclusively with Philips or its licensors. No title or ownership in the Software is conferred to you. Use of the Software is subject to the end user license conditions as are available, on request.

6. In the left upper corner of the screen there is a drop-down menu. Select **Cornell Physician's Worklist**

BTW, you can also access Columbia, LMH and HSS!

ENJOY
